

Elenco Buffer

Quickly neutralizing excess ruminal acidity

Fast-acting buffer

Optimal ruminal pH

Highly bio-available Calcium

Features and Benefits of Elenco Buffer

- Elenco Buffer acts as a fast-acting buffer, quickly neutralising excess ruminal acidity and maintaining an optimal pH for microbial activity and fiber digestion
- Elenco Buffer offers a natural, highly bioavailable source of calcium with a gradual buffering action, enhancing rumen health, bone strength, and overall productivity in ruminants. Elenco Buffer supports long-term pH stability while
- supplying essential magnesium for metabolic functions
